July 16, 2015

Dear Valued Client,

As a dedicated client, we would like to take this opportunity to say “THANK YOU” for your continued years of business with Anderson Tax Service. Keith always put clients first and was dedicated to serving you to the best of his ability. We appreciate the trust you have in us—his family and Judy—and are thankful for the relationships grown throughout the years.

Today, we’d like to inform you of the next chapter for Anderson Tax Service. Since Keith’s unexpected passing in May, we have learned of his wishes for the continuation of the business. He had begun discussion to join forces with State Street Tax & Accounting Advisors earlier this year in order to continue serving you for many years to come. As of July 15, 2015, Anderson Tax Service is officially now united with State Street Tax & Accounting Advisors.

We believe Keith had chosen them because their professionals are highly experienced, knowledgeable, professional, and friendly. Judy will also continue her employment at the new office. We are confident you will be satisfied with the team because they have a strong level of commitment to delivering the highest quality of services like Keith had.

Our existing location on Sims St. will no longer be used as of July 27, 2015. The new office is located at 1674 15th St. W. Suite 3 in Dickinson (at the corner of State Ave and 15th Street W. – parking lot on the north side of the building). Feel free to stop by to visit!

An open house is also being planned, so watch for an invitation this fall. We’ll be there too, of course, and hope you’ll join us! In the meantime, as you need appointments, have any questions, or have current work in progress in the office, call the team at the same office number, 701-225-9238, which shall remain in service until further notice.

We are very comfortable with the transition taking place, realize it has happened very quickly, but we know you will feel good about this transition too. Again, we can’t say thank you enough for the many great years and your continued business going forward at State Street Tax & Accounting.

Sincerely,

Sue Anderson
